

Statman, Harris & Eyrich, LLC
Announces Investigation into Canadian National Railway Company Freight Train Derailment

CHICAGO, June 22, 2009 – Attorney Advertising. The Chicago class action law firm of Statman, Harris & Eyrich, LLC announces that it is investigating potential claims in connection with the forced evacuation following the June 19, 2009 derailment of a Canadian National Railway freight train in southeast Rockford, Illinois.

The investigation is primarily focused on individual and business evacuations and individuals' exposure to potentially toxic fumes resulting from the derailment and subsequent massive blaze of Canadian National freight train cars filled with highly-flammable ethanol. Statman, Harris & Eyrich, LLC has successfully represented hundreds of individuals and businesses involving forced evacuations and individuals' exposure to toxic fumes resulting from issues with train cars. If you were affected by the evacuation and are interested in discussing your rights, or have information relating to this investigation, please contact us, without any obligation or cost to you, by calling or clicking on the link below.
